DETAILED ACTION

Reissue Applications

1. The amendment filed July 19, 2004 proposes amendments to claims 1-48 that do not comply with 37 CFR 1.173(b), which sets forth the manner of making amendments in reissue applications. A supplemental paper correctly amending the reissue application is required.

The text of any deleted matter in claims 1-8 and 13-15 must be shown by brackets.

2. The reissue oath/declaration filed with this application is defective because it fails to contain a statement that all errors which are being corrected in the reissue application up to the time of filing of the oath/declaration arose without any deceptive intention on the part of the applicant. See 37 CFR 1.175 and MPEP § 1414.

The applicant or his attorney is required to reference a particular claim(or claims) and the specific claim language wherein lies the error(see MPEP 1414, Part II) and the applicant or his attorney is required to point out how (or when) the error arose or occurred.

3. This application is objected to under 37 CFR 1.172(a) because the original consent appears no longer valid based on the Power of Attorney Paperwork filed on October 5, 2006. It appears Gyroscopic has assigned to Thomson Licensing.

Therefore, a new consent accompanied by a 3.73(b) statement by Thomson Licensing is required(See MPEP § 1410.01.).

A proper assent of the assignee in compliance with 37 CFR 1.172 and 3.73 is required in reply to this Office action.

4. Claims 1-48 rejected as being based upon a defective reissue with amended claims filed on July 19, 2004 under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the oath/declaration is set forth in the discussion above in this Office action.

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Lun-yi Lao whose telephone number is 571-272-7671. The examiner can normally be reached on M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Bipin Shalwala can be reached on 571-272-7681. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
